The views in this book
were copied from photographs made especially for
this work by

M. B. UMLAH
PORTRAIT AND LANDSCAPE PHOTOGRAPHER
Sydney, Cape Breton.

All kinds of Photographic work solicited, out door views made and old pictures copied and enlarged. Plain and ornamental designs in picture moldings selected to suit all classes and a heavy stock of window glass all sizes.

NOTE. Tourists and visitors to Cape Breton seldom fail to carry home with them some memento of their visit in the shape of a view or photograph from the studio of M. B. UMLAH.
